GO FISH KIDS! PFIZER LINCOLN

Go Fish Kids! Pfizer had their clinic June 7th at the Pfizer lake with 74 kids in attendance. It was a hot 99 and windy but it didn't keep us from having a good time. The kids signed in, enjoyed Wimmers hot dogs, chips and beverages before beginning the clinic. We had stations including casting, knot tying, bait, tackle, fish ID and water safety. After completing all the stations, each child received a certificate, rod/reel combo, tackle box and bag of goodies. The rod/reel were compliments of Nebraska Walleye Association-Go Fish Kids!, tackle boxes were donated by Cabela's and the bag of goodies from the Nebraska Game and Parks. The hot dogs were donated by Wimmers Meats, chips by Megabucks, buns by Russ's IGA, water by BNSF Railroad and ice by Glacier Ice. Emerald Mini-Mart donated bait sampler. Thanks to all. The kids were given bait and off to fish and there were a lot of bluegill and bass caught.

We have a lot of people to thank –

Gary Daharsh & Mary Briggs – knot tying
Rick Lehn & Ben Garver – bait
Carroll Crist & Bob Rauner – Tackle
Clark Bauer, Jerry Edmunds, Tim White, Ray Clayton - Casting
Herb Angell (NG&P) – water safety
KC McBurney & Jeanette Millius – Hand out bait

Thanks to Stephanie White and Pfizer for allowing us to use their private lake to hold our Go Fish Kids! clinic. Thanks to Tim White & Volunteers for cooking and serving the food to the kids.

Also need to thank our many sponsors:

Here is an email thank you I received the next day:

I just wanted to thank you for holding the Go-Fish Kids Clinic last night. Our two grandsons, ages 7 & 6 attended with their grandpa and haven't stopped talking about it since! Grandpa had a hard time getting them to leave -- they were the next to the last ones to leave. What a great event!! Thank you.

Hope everyone has a great summer and BE SAFE!!
