

Crofton Clinic enjoys great weather this year!

Lewis & Clark Reservoir
May 18th 2013

The Crofton Kids Clinic was held on Saturday May 18th, 2013 at the Weigand Burbach Marina on the shores of Lewis & Clark Reservoir. The clinic began directly after the weigh in of the NWA Walleye Tournament and many of the tournament teams volunteered to help at the clinic. A total of 52 youth participated and were very attentive listening to all of the instructions given by the fishing experts. All of the participants received a new rod/reel/tackle box. They also received a ticket for a candy bar and soda at CJ's at the Lake thanks to Barry. One lucky boy won a Nebraska youth ½ price lifetime hunt fish permit.

A big thanks goes out to the local sponsors: CJ's, Crofton Community Club (Doug and Juliet de Shazer), and the NGPC Weigand Burbach Marina staff.
