## **Activate Your Active Net Account Priority & Member Registrants**

The Lincoln YMCA has rolled out a new online registration system for Members and Non-Members that will allow you to register and pay for all of our Lincoln Y Programs in 2018 — wherever you have a computer, tablet or smart phone! It is important that the first thing you do is get logged on to your Y account!

You can manage your account, update your billing and account info and view your schedule at any time. If you're not currently a Y Member, you can also join online!

### **Y MEMBERS & PROGRAM PARTICIPANTS**

If you are a Y member or your child has participated in a Y program, you already have an account— even if you have not yet logged in! **IT IS VERY IMPORTANT THAT YOU DO NOT CREATE A NEW ACCOUNT!**

If you have not yet done so, now is a great time to get logged in to view your account in preparation for registration! Follow the steps below to log in:

Go to <https://apm.activecommunities.com/ymcalincoln/Home>

Then:

1. Click on **Sign In**.
2. Click on **Forgot your Password? - DO NOT CREATE A NEW ACCOUNT**
3. Enter the email address on your Lincoln YMCA account and click **Submit**. - If you do not remember what email address is on your account please call or visit any Lincoln YMCA Front Desk.
4. You should receive an email with a temporary password within a few minutes. - If you do not receive this, the email address you entered may be misspelled or a different e-mail address than we have on file for you. Try Step 3 again. If you still do not receive an email, please call your Y or stop at the Front Desk.
5. **Sign In** using your email address and new temporary password.
6. Click register for activities.

If you have any questions, need to know what email address is on your account, or need any other assistance, please visit or call any YMCA [Front Desk](#).

Thank you for your patience during this transition. We are excited that the online registration will be more convenient for your busy life!

### **NON-MEMBER REGISTRANTS**

**If your child has participated in a Y program (swim lessons, gymnastics, dance, martial arts youth sports) as a non-member after September 1, 2017 please follow the instructions above as you may already have an account set up.**

If you don't have an account set up you will need to follow the link to create one.
