Beatrice Fishing is Fun! Clinic

The Beatrice Fishing if Fun! clinic was held on Saturday, June 23th, 2019 at 12:30 p.m. at Rockford Lake. We had 52 kids plus parents and volunteers. After they checked in they had hot dogs, chips and water. The kids went through 5 stations including casting, knot tying, bait, tackle and Fish ID and water safety. Upon completion of all 5 stations, each child received a certificate, rod/reel and a hand out bag. The rods/reels were donated by the Ron Cornelius family of Pickerel in his memory. We would like to say thank you. Then it was off to get bait and go fishing.

Thanks to the Beatrice Area Chamber for doing the registration, supplying the chips, buns and water and pitching in to help with casting and the hand out materials. It was greatly appreciated. Thanks to Farmland Industries for donating the hot dogs.

We had great weather and the kids had a good time.

We also had a drawing for a Youth Lifetime Half-Price Permit and it was won by 6 year old Huntley Nichols of Pickrell, Nebraska. Congratulations Huntley.

I would like to thank all the volunteers:

KC McBurney - Bait
Jeanette Milius – Water Safety
Ray Clayton – Tackle and Fish ID
Betty Clayton – Knot Tying
Beatrice Chamber Volunteers - Casting

Thanks to our many Donors:

and many more. Without our donors these clinics wouldn't be possible. Thank you.

We appreciated all the help. Hope the kids take their rod/reels and go fishing this summer. It is a great family outing.

Have a fun and safe summer.

Fishing is Fun!
